

# Point Of Information Game

- The Point of Information Game helps improve communication and critical thinking. The speaker defends a controversial topic, while the class asks questions by saying "Point of Information." The speaker can accept or decline questions, promoting quick thinking, rebuttal skills, and public speaking confidence.

# Point of Information Game

# Activity

- 1. All students will act as speakers.**
- 2. Each student will prepare a short speech.**
- 3. After 5 minutes of preparation, students will deliver their speeches one by one.**
- 4. During each speech, the class will participate in the Point of Information game.**
